PRODUCT BROCHURE 8500W
DC BATTERY BACKUP WALL MOUNT
WI-FI® GARAGE DOOR OPENER

LiftMaster

ELEVATE YOUR SPACE.

Our leading garage door opener sets the bar high. With its innovative wall-mount design, the LiftMaster® 8500W opens up possibilities by freeing up space overhead. Plus, it's equipped with every advanced feature to keep everyday life running smoothly and safely—from Wi-Fi® for smartphone control to a deadbolt lock for maximum garage security. And that's just the beginning.

Lifetime Motor Warranty
5-year parts and 1-year battery and accessories warranties.

Anywhere Assurance
Always know your garage door is closed.

Heavy Lifting
Powers doors up to 850 lbs.*

*Battery Backup must be installed. Must use 15" or greater radius track. Door must be properly balanced.

THE BOTTOM LINE:

VALUE

Space-saving design: Without a rail and trolley in the middle of the ceiling, you can maximize overhead storage.

OPENS UP
THE CEILING

Ultra quiet: Eliminate vibrations through the ceiling to keep adjacent living spaces quiet.

UNDISTURBED
LIVING SPACES

Advanced security: The included Automatic Garage Door Lock secures your home automatically, so you know that everything is protected.

PRICELESS

SPACE OPTIMIZATION

No equipment overhead frees up additional storage space to declutter the garage.

REMOTE ACCESS

Built-in Wi-Fi® makes it easy to connect the opener with your smart device. Receive alerts and open and close the garage door from anywhere with the MyQ® App.*

*MyQ Remote LED Light must be installed to enable use of Timer-to-Close or MyQ smartphone control of the garage door. See User Guide for additional information.

AUTOMATIC ILLUMINATION

The MyQ Remote LED Light mounts anywhere in the garage to brightly light the way as you come and go.

ULTRA-QUIET OPERATION

Wall-mount design and an ultra-quiet DC motor ensure comfortable living spaces above and next to the garage.

THE COMPLETE SOLUTION.

Our top accessories are included with every 8500W purchase to make garage access reliable and secure.

SMART LIGHTING

MyQ® Remote LED Light 827LM

Can be scheduled to turn on and off through the MyQ App.

1,500 lumens fully illuminate the garage.

+ Add more lights for an even brighter garage.

ABSOLUTE PROTECTION

Automatic Garage Door Lock 841LM

Deadbolts the garage door every time it closes, making it virtually impenetrable.

The first garage door lock tested by UL®, the leader in garage safety.

+ Add 1 more for maximum wind defense (2 max.).

STORM-PROOF POWER

Integrated Battery Backup 485LM

Keeps the opener working in a blackout so your family can still get in and out.

Enables up to 20 open-and-close cycles within 24 hours on a standard door.

Battery Backup

TOTAL CONTROL

Smart Control Panel® 880LMW and 3-Button Remote Control 893MAX

Provide convenient ways to program and control your opener and MyQ Accessories.

150° sensing angle detects motion to automatically turn on the MyQ Remote LED Light.

Operates up to 3 openers or MyQ Light Accessories.

MyQ FITS YOUR SMART HOME.

Pair up with your favorite smart devices and platforms to customize control.

SEE FULL LIST OF MyQ PARTNERS:
LiftMaster.com/WorksWithMyQ

*Linking to MyQ App requires subscription fee after 30-day free trial.

†Requires additional purchase of MyQ Home Bridge 819LMB.

Smartphone not included.

SAFE HAVEN.

The 8500W offers the ultimate security solution that you can manage right from your smartphone. With the MyQ® App, you can turn on the lights before anyone gets home and close the garage door if it was accidentally left open.* The Automatic Garage Door Lock adds another layer of security, automatically engaging every time the door closes. So you'll feel completely protected.

*MyQ Remote LED Light must be installed to enable use of Timer-to-Close or MyQ smartphone control of the garage door. See User Guide for additional information.

SECURITY'S AT OUR CORE.

For over 50 years, LiftMaster® has been engineering cutting-edge products that work together to deliver comprehensive garage security.

RIGHT ACCESS

Protection features secure the garage and grant access only for you.

ILLUMINATION

A bright garage lets you walk in with confidence.

KNOWLEDGE

Monitoring and controlling from anywhere for complete assurance.

ULTIMATE CONVENIENCE.

Add these accessories to expand control throughout your home.

REMOTE LIGHT CONTROL 825LM

Turn on and off any lamp—so you never come home to a dark house.

GARAGE DOOR AND GATE MONITOR 829LM

Know if the garage is open and close it from any room in your house.

WIRELESS KEYLESS ENTRY 877MAX

Use a custom 4-digit PIN to open and close your garage door.

MINI UNIVERSAL REMOTE CONTROL 374UT

Give one to every family member so they can get in and out quickly.
